SEND MORE

“Ask the Lord of the harvest, therefore, to send out workers into his harvest field” (Matthew 9:38 NIV).

- Pray that the mission of Matthew 9:38 would be amplified among university/college students.
- Pray that local churches would amplify the mission for global transformation by sending some of their own.
- Pray that people of all ages would be led to not only give and pray, but to go.
- Pray that people from multiple professions would be raised up to go into cities populated with millions of people yet to know the truth of Christ.

UNREACHED PEOPLE GROUPS

Global Partners missionaries are ministering to unreached Eastern Europeans and to many Muslims through the Immigrants Outreach in Europe. This month, I will daily pray for unreached Eastern Europeans and Muslim immigrants in European and for:

- Muslims in Eastern Europe to recognize the truth that they were created to be Christ-followers regardless of what religion they were born into
- The Holy Spirit to soften the immigrants' hearts and open their eyes to the truth of Jesus Christ because the soil among the primary immigrant people group that we are reaching out to is hard
- The Holy Spirit to lead our missionaries to those who are the most receptive and spiritually open to the gospel

AMPLIFIED LEADERS

Amplified Leaders is a major initiative to equip pastors globally to multiply disciples and churches. This month, I will daily pray for:

- The global leadership gap to be closed with pastors given opportunities to ordination
- Theological education to be taken to those who cannot leave their homes to attend residential programs
- The development of training materials and styles best suited for various cultural learning styles and understanding
- Trainers to be raised up who will give instruction to pastors working towards ordination

- Growth in the lives of local Karis believers and for new house groups to be established
- Fotizo Jesus-followers as they encounter family and colleagues who shame and persecute them

UNREACHED PEOPLE GROUPS

Global Partners missionaries are ministering to unreached people groups in East Asia and South Asia. This month, I will daily pray for unreached people groups in East and South Asia and for:

- Jesus-followers to claim their victorious position in Christ and no longer live in the fear they have been raised in
- God to soften hearts among the East and South Asia people groups and lead missionaries to those who are most receptive
- Our hearts to be gripped with a sense of urgency to do whatever it takes to see these people groups in East and South Asia reached with the gospel
