Partnering through Prayer for Global Transformation

December 10, 2019

MISSIONARY PRAYER FOCUS

Global Partners is asking for focused prayer this week for **Tom and Grace Ensz, missionaries to Brazil**.

Tom and Grace have been serving in the Brazilian Amazon since 1994. They have been involved in theological education, leadership development, generating discipleship materials, and the implementing an innovative missions program.

As the Brazilian church became a national church in 2018, Tom and Grace enjoy working alongside the Brazilian church to reach new places for Christ—whether it is in the interior along the Amazon River system, the other states in Brazil, or across the world in East Timor.

Tom and Grace have three adult children.

“I will make you as a light for the nations, that my salvation may reach to the end of the earth” (Isaiah 49:6b ESV).

Prayer Points from Tom and Grace Ensz:

- **Pray** for us as we gear up to have a team from Brazil visit Canada. It is a class in our Transcultural Missions Training (TMT). They will be working in another culture, another language, and reaching immigrants with a desire to make a multicultural connection for our church in Nova Scotia. They are buying tickets and making plans! **Pray** for the members of the team as they raise money and work to get visas.
- **Pray** for us as we travel around 15,000 miles on partnership development. We look forward to seeing and sharing with our friends, supporters, and churches about what God is doing in Brazil and beyond. **Pray** that we would be able to raise funds so we can soon return to Brazil.
- **Pray** for the leadership in Brazil and the new national church structure. Because of growth, God’s leading in the area of missions, and other factors, this big step felt necessary to the development of The Wesleyan Church in Brazil. **Pray** that God would give wisdom and courage to Pastor Gilberto, the national superintendent, and the other officials and department heads as they take the church forward in this time of transition from scattered districts to a unified national church.
- **Pray** for Pastor Aryanne, the leader of the Department of Missions, as she leads the Brazilian church to their first mission field, East Timor. They have visited and begun working in a village that has no church and is in need of the gospel! **Pray** for this connection to the Asia-Pacific area as we seek to unite with Wesleyan churches in this area to reach the world for Christ.
