MISSIONARY PRAYER FOCUS

Global Partners is asking for focused prayer this week for **Matt and Sarah Boyer, missionaries to Macedonia.**

Matt and Sarah have been serving as missionaries in Skopje, Macedonia, since 2009. Both of them felt called to missions in high school, and it's their joy to carry out their calls with Global Partners.

With less than 1% of the population of Macedonia claiming to have a relationship with Jesus, it's no stretch to say the need is great. But with God, nothing is hopeless.

Their vision is that there will one day be a growing, thriving Macedonian church, reaching out with the gospel to their fellow Macedonians.

Matt and Sarah have a daughter, Sabina ('04).

Prayer Points from Missionaries Matt and Sarah Boyer:

- **Pray** for us to be as effective in ministry as we can during this time when almost all our ministry is online (sermons, small groups, youth group, Sunday school, etc.). **Pray** that

we'd also be able to meet people for one-on-one times in the park since so many people are burned out with Zoom.

- Anet, our partnering pastor's wife, is in the last stages of cancer. Please **pray** for God's best for this family. We hope and pray that he does a miracle, but we know that is not always his will. **Pray** for Anet, pastor Gale, and their daughter, Giselle, as this is obviously a very hard time.
- We will be hosting the Global Leadership Summit online in March, both in Albanian and Macedonian. It will be pretty challenging from a technical perspective. Please **pray** that things go smoothly and that God would use it to open doors for those far from him to hear his good news.
- Both Sarah and I (Matt) have some ongoing personal health issues that we've been dealing with. It's frustrating when they just don't go away, and that's where we find ourselves right now. **Pray** for wisdom, healing, and grace for us.
- This year was to be our year to come back to the States for three months for partnership development, but with our health issues, along with the unknowns surrounding Covid, we are trying to decide whether to push partnership development off until next summer. Please **pray** that we would have the wisdom we need to make this decision soon.
