

March 22, 2022

Dear Partners,

Thank you for your generous support for the ministries of Global Partners and The Wesleyan Church.

We've heard your feedback regarding giving online to Global Partners and The Wesleyan Church and are excited to announce the launch of a new system on **March 28, 2022**. This new platform will allow for a simpler, user-friendly online giving experience.

With the new system, you will be able to:

- Access your complete giving history
- Manage your recurring giving and intended support, including submitting renewals and changing payment information
- Manage giving for The Wesleyan Church, other church, or business you represent.

All recurring giving and Intended Support (formerly Faith Promise) managed through the previous online giving system will be securely transferred to the new system.

No action is required on your part to maintain your recurring giving and Intended Support. Upon launch of this new system, the old system will no longer be accessible.

Action Needed Beginning March 28:

- Visit the same place at gponline.org/give and click *Donor Login*
- Create a new login
- Explore the new features.

For information regarding using the new system, including a tutorial video, a giving FAQ, and the complete online giving user guide, visit gponline.org/donorfaq.

We appreciate your continued support and will be responsive in assisting any of your needs as we launch this new system. We appreciate your patience as we navigate this transition.

For any questions about the new online giving system, contact Donor Services at donation@wesleyan.org or 317-774-3944.

In H+S Service,

Dr. Dennis Jackson
Global Partners Executive Director
