

GLOBAL PRAYER NET

Missionary Wellness Coaches

Missionary Wellness Coaches strive to come alongside Global Partners missionaries and ensure they are managed and shepherded. The theme of the Wellness Team is growing in resilience. This is accomplished by showing them how to sabbath, maintaining grit, hope, patience and self-advocacy while on the field.

Global Partners currently have six active Wellness Coaches. They serve those across many different countries, ranging from Eastern Europe, to the Turkic-Arabic and everywhere in between.

These individuals meet and provide support through different communication outlets. Additionally, they take time to visit missionaries on the field to ensure they are cared for, encouraged and equipped to navigate obstacles and opportunities. milies remain on the other side of the world.

Prayer Points:

- **Praise** God for these willing individuals and the gift of encouragement they have been given.
- **Pray** as they put in the time and effort it takes to uplift and wholeheartedly love GP missionaries in any way that they can.
- **Pray** for wisdom as we seek to encourage, counsel, and coach GP missionaries.
- **Pray** for new people to respond to God's call to serve as missionaries with Global Partners teams living among the unreached people groups all across the world.
- **Pray** continually for our Global Partners missionaries as they daily live out their calling to share the Gospel amongst the nations.
