FUNDRAISING GUIDE

**Prayer is the radical
starting point of
fundraising because in
prayer we slowly
experience a reorientation
of all our thoughts and
feelings about ourselves
and others.**

What is PARTNERSHIP DEVELOPMENT?

Fundraising may seem like a daunting task, but *what if* it became one of the most **fulfilling** and **rewarding** steps of your journey?

Most teams have witnessed growth in their **faith** and **trust** in God through this critical first step. It is essential to engage supporting partners because God uses people in a variety of ways to accomplish His mission. We like to call this step "Partnership Development" (PD) because we believe everyone plays a part in God's mission!

Some people go (that's you!), others pray, and a number of people provide financial support. This means that you have an opportunity to *invite* others to play their part alongside you!

Before you do anything else, **take time to pray** over the names God brings to mind as potential ministry partners. Try to write down **at least 50 names** whom you will invite to join you as partners in prayer and giving (*worksheet on next page*).

The first steps are always the hardest. This guide is here to help you get started feeling confident and successful!

NAME STORMING:

The first step in fundraising is just thinking of people you can ask to support you! We call this "Name Storming." Try to come up with **50 names total**.

HELLO FAMILY & FRIENDS!

*I have recently been given the incredible opportunity to go on a short-term mission experience in **Eastern Europe** with Global Partners! I will be learning the local culture, discipling people through relationships, helping the missionaries in various ministry activities, and discovering how the Lord is calling me to engage with the world.*

*I will be traveling with a team **June 1 - 10, 2024**.*

WILL YOU PARTNER WITH ME?

Most importantly, I invite you to be a partner with me on this journey! There are three ways to participate in global mission work: some may go (that's me!), others pray, and a number of you can provide financial support. Due to a variety of reasons, some people don't have the opportunity to travel to global mission fields, but through giving and prayer, we are all offered tangible ways to be involved in God's global mission.

Will you prayerfully consider giving financially toward this opportunity?

In order for me to be a part of this experience, I need to raise around **\$2,000 by May 1st**. I am incredibly grateful for any and all prayers and donations you graciously give! The Lord is our ultimate provider, and through your giving, I believe He can provide in amazing ways! I thank you in advance for your gracious giving, encouragement, and prayers!

Hey _____, I hope I'm not bugging you. I just wanted to check one last time to see if you would be interested in hearing more about becoming a prayer and financial partner of mine to [ministry location] this [season]. No worries if you can't, but if you could get back to me either way, that'd be great! I am free this week if you want to hear more about it. Have a great day!

Once this 3rd text is sent, simply let it go. If they respond, great! If not, no worries and definitely no hard feelings. Some people just have a lot on their plate.

MYTHS TO STOP BELIEVING

1

PEOPLE
DON'T LIKE
TO GIVE AND
DON'T HAVE
MONEY

2

THERE ARE
MORE
IMPORTANT
THINGS TO
GIVE TO

3

FUNDRAISING
IS A BURDEN
FOR PEOPLE

4

IT'S NOT
SPIRITUAL
TO ASK FOR
MONEY

The Truth:

Partnership Development (PD) allows us to give the Church tangible ways to be involved in God's global mission. **We grow in faith as we wait and trust**, recognizing the control of the Holy Spirit. We certainly extend the invitation to people, but **we trust the Holy Spirit to do the heavy lifting**. This will be a great journey of trusting in the Lord!

10 GREAT WAYS *to raise money*

1. Brainstorm 50 people to contact immediately.
2. Send support letters by email or mail, or send text messages to friends and family.
3. Sell t-shirts, coffee mugs, baked goods, or other items. *(Get templates on the next page)*
4. Ask your pastor if you can speak at church for 2-5 mins.
5. Ask your pastor if the church can donate to you.
6. Pick up extra shifts or a side-job, & have all proceeds go directly to your trip.
7. Ask for donations in lieu of birthday/Christmas presents.
8. Pass out Prayer Cards with a QR code to donate to you.
9. Create a secret Facebook group and invite people to it.
10. Make personal phone calls or leave voice mails.
(Actually talking to someone often leads to higher giving!)

3 TIPS FOR SUCCESS

Pray, pray, pray!

This is 100% the key to fundraising. God is the one who will provide your donors and donations. Time and time again, we see interns very nervous about fundraising, and then see God provide MORE than they need.

So, pray over every name on your brainstorming list, pray over the letters you send in the mail, pray over the texts you send. **Are you ready to be blown away?** God can do it.

Always follow up!

Listen: people are busy. That letter you sent in the mail? It's probably buried under a big pile of other mail. That email you sent? It's probably been forgotten in the inbox void.

You HAVE TO follow up with the people you ask for money. People are so much more willing to give when they are reminded about it and know it's **personal** from you. If they didn't give to you after the first contact point, don't give up!

Be bold!

So many teams say they wish they had started fund-raising sooner and been more willing to make bold “asks” of people in their life.

We always say, “Don’t say someone’s ‘NO’ for them,” meaning: always just ask! It will surprise you who is willing to donate that you didn’t think ever would. Be bold, not wishy-washy when you ask for financial support. You are giving THEM an opportunity to obey God and be a part of the Great Commission!

“
And my God will
meet **all your needs**
according to the
riches of his glory in
Christ Jesus.
”

The Apostle Paul

Philippians 4:19
