Prayers for Dorcas and Mathias

Dorcas Croft is a third-generation long-term missionary. Since July 1995 she has served as an educator at Emmanuel Wesleyan Bible College (EWBC) in eSwatini (formerly Swaziland). Through the teaching and training of future pastors and church leaders, she helps to empower the Southern Africa Church with the education tools they need to grow spiritually and numerically.

As of July 2023, Emmanuel Wesleyan Church opened online courses for students, and will be opening in person courses this February! Accreditation is still an ongoing process, but Dorcas is excited for the continued opportunity to teach and share the Gospel.

They were recently able to host a Pastors Camp and Youth Camp that was incredibly successful and provided much needed encouragement to the community of believers.

God is continuing to do incredible things in eSwatini, despite physical and spiritual hardships. Would you continue to pray for Dorcas, the people of eSwatini and the ministry partners?

Prayer Points:

- **Praise** the Lord for the work he has done in eSwatini and for the many who have accepted Jesus as their Savior.
- **Pray** for the opening of the on site classes at Emmanuel Wesleyan Bible College. Pray for students to come and teachers to remain excited about their role.
- **Pray** continually for spiritual growth and excitement to take place at Ezulwini Wesleyan Church. Praise the Lord for the fourteen individuals who recently were baptized.
- **Pray** for encouragement amongst the locals after experiencing a bad hail storm, which damaged many buildings and vehicles.
