

# GLOBAL PRAYER NET

Partnering through prayer for global transformation

## Missionary Prayer Focus

"In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." (Matthew 5:16, NIV)

One of the greatest ways to actively be involved in what God is doing across the nations is by praying. Global Partners (GP) is asking for focused prayer this week for ***those serving in South Asia***.

Global Partners has been present in South Asia for many decades. Although many regions and countries remain hostile to the Gospel, GP remains faithful in sending people to share the hope of Jesus Christ.

The S\* family have been serving in South Asia since 2004. Their heart is to build up courageous disciples who would go into surrounding villages and share Jesus.

They are continually reminded that even in the midst of difficulty and persecution, God is still at work and His Church continues to grow.

## Prayer Points:

- Praise the Lord for his goodness and for the encouragement the S\* family continues to receive.
- Pray for patience as God continues to raise up financial supporters and prayer partners.
- Pray for wisdom as the S\* family leads their church family, as well as their own family. Pray for God's Word to reach lost hearts.
- Pray for those in South Asia who continue to experience extreme persecution. Pray against discouragement as the government is doing very little to stop it.
