Partnering through prayer for global transformation

Missionary Prayer Focus

"In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." (Matthew 5:16, NIV)

One of the greatest ways to actively be involved in what God is doing across the nations is by praying. Global Partners (GP) is asking for focused prayer this week for ***the George Family***

Chris and Melissa have served in Western Australia since 2004 as ordained ministers planting churches in a secular and unchurched society. Perth is one of the most isolated cities in the world with over 2 million people needing to hear the good news of Jesus Christ.

Chris and Melissa's mission is to see healthy churches established in Western Australia, to bring people to the Lord, and to create discipleship pathways for them to grow in their faith. They strive to connect with their community in relevant ways and to give opportunities for others to connect with God.

Through many years of dedication to the work, The Western Australia District was established in 2023. They now strive to continue to walk alongside the Australian leaders to help establish and support the foundation of the newly formed district through leadership development, church planting, and church partnership.

Prayer Points:

- Praise the Lord for his goodness and the encouragement you continue to bring to the George family.
- Pray for continued strength and encouragement as they pastor and disciple new and seasoned believers in Jesus.
- Pray for more opportunities to develop local leaders, and maintain strong partnerships with the church and community.
- Pray for wisdom as they lead their spiritual family, but also as they lead their own family. Pray for God's Word to continue reaching lost hearts.
