

WHAT DOES A

Global Marketplace Multiplier DO?

BUILD REDEPTIVE RELATIONSHIPS

1

Connect authentically! GMMs intentionally reach out cross-culturally to form connections with people at their workplace and in their neighborhood.

2

SHARE THEIR FAITH

Look for opportunities to speak about God. By living transparently and being intentional, GMMs find openings to share their beliefs in their daily lives.

ENGAGE IN GLOBAL DISCIPLE-MAKING

3

Intentionally help others follow Jesus. This involves not only sharing faith but also helping individuals grow in their walk with Christ.

4

MAINTAIN RELATIONSHIPS

Connect with other GMMs and mission workers. Staying connected with a network of like-minded individuals provides support and encouragement.

PARTICIPATE IN TRAINING

5

Prepare for cross-cultural ministry. Global Partners offers training to equip GMMs for cross-cultural relationships and faith-building encouragement.
