Partnering through prayer for global transformation

Missionary Prayer Focus

"In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." - Phil. 1:4-11

One of the greatest ways to actively be involved in what God is doing across the nations is by praying. Global Partners (GP) is asking for focused prayer this week ***the six newly appointed Global Workers for Global Partners.***

Global Partners recently appointed six new Global Workers to serve across the world. Would you please pray for these individuals as they prepare to raise funds, gain prayer supporters and leave familiar places and spaces to serve Jesus Christ.

Ways to Pray:

- **Praise** God for connectedness to Him as the foundation for every part of missionary service is about relationships. These individuals left encouraged to lean into this as they prepare for their ministry assignments!
- **Pray** for them as they build their list of contacts to reach out to as they begin partnership development.
- **Pray** for God to highlight where they need to grow and develop them during this season of preparation.
- **Pray** for courage and peace to replace any nerves they may feel as they start sharing with people the work God's leading them to join.
- **Pray** that they would build their communication plan – they have a great start, and now get to personalize what's going to work for them to communicate with partners.
- **Pray** for them to keep growing in faith as they wait for God to provide partners and funding.
