Prayers for the Karis People

Who Are the Karis People?

The Karis people are amongst the least, the last and the lost. There are over 10 million people who live in this country and less than 2% know the name of Jesus Christ. Living in this country as a believer is difficult, especially when it comes to sharing the Gospel. Of the 40 people groups that make up this country, over 25 of them are unreached.

What is an Unreached People Group (UPG)? An UPG virtually has no followers of Jesus and no known movements to Jesus and still needs cross-cultural workers.

Global Partners desires to reach the Karis People and share the hope of Jesus to them.

Global Partners has four families or individuals serving with the Karis people.

Prayer Overview

- **Praise** God for the four families/individuals who answered the call to serve amongst the Karis people.
- **Pray** for continued endurance, faith and guidance as these individuals faithfully serve and share God's love with the lost.
- **Pray** for church planting efforts with the Karis people. Pray that God would continue to provide opportunities for churches to open and people to attend.
- **Pray** for opportunities for continued conversations and relationships to take place with locals and refugees.
