Prayers for our Missionaries in Europe

Global Partners has over 20 families and individuals who live, work and share the gospel around several European countries!

Here is what God is doing in some of the areas in Europe:

Central Europe - The team in Central Europe continue to serve immigrants and refugees with Muslim backgrounds. Their desire is to help reach the over 700,000 Muslims in Central Europe who have never had the opportunity to hear and respond to the gospel.

Czech Republic - God is doing a great work in the current church plants in Czech and across Europe. There is a continued desire for more churches to be established and leaders to step-up and minister men and women to Jesus. The Media to Movement program is going strong despite some transitions on the core team. God is doing a great work in this ministry and many people are reaching out and wanting to hear more about the hope of Jesus.

Eastern Europe - God continues to provide many opportunities to deepen relationships and engage in spiritual conversations through coffees, walks, birthday celebrations, sharing traditions at English Club and more.

The Balkans - The Lord is continuing to provide opportunities for meaningful conversations to take place amongst those living in The Balkans. People are curious and attentive to the way believers speak and interact, leaving them with the desire to know about their beliefs and why they are different.
