

GLOBAL PRAYER NET

Partnering through prayer for global transformation

Missionary Prayer Focus

"In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." - Phil. 1:4-11

One of the greatest ways to actively be involved in what God is doing across the nations is by praying. Global Partners (GP) is asking for focused prayer this week for **Global Partners Health Network**.

Global Partners Health Network (GPHN) is a network of healthcare professionals, pastors, missionaries, students and others who show the love and power of Jesus Christ through global medical ministry.

GPHN connects with, prays for, encourages and supports Wesleyan medical ministries throughout the world.

This network has hospitals and clinics all over the world - Haiti, Africa, Asia and Oceania. They desire to make a lasting impact in each of these areas, showing the love of Jesus Christ to the lost, sick and the hurting.

Ways to Pray:

- **Thank God** for growing collaboration among Wesleyan healthcare ministries through Global Partners Health Network.
- **Pray** that God will call and equip a new generation of healthcare professionals for medical missions.
- **Pray** for God's provision and strength for Wesleyan hospitals, clinics, and nursing schools worldwide.
