Missionary Prayer Focus

"In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." - Phil. 1:4-11

One of the greatest ways to actively be involved in what God is doing across the nations is by praying. Global Partners (GP) is asking for focused prayer this week for our **Newest Field - Kethra.**

.

Kethra is a location which is more than 99% Muslim, with very few Christians. Any current Christian missionary presence there is very small. Historically, this people group has been difficult for outsiders to reach due to a lack of permission to live there.

Strict religious laws (and punishment for breaking religious laws) have kept missionaries from entering the country — even as a marketplace multiplier.

It simply seemed impossible to get to this people group, let alone tell them about Jesus. Recently, some of the obstacles that have kept this country's "doors closed" have started to fade, ultimately creating an openness among the people there.

Currently, we are sending seven individuals who are excited to go and start this new work! Please join us in covering the individuals who are going to serve Kethra in prayer.

Ways to Pray:

- **Pray** that the Kethra people would experience the abundance of God's grace and exceed more than we can ask or imagine.
- **Pray** for these seven individuals and their families as they move to a new country and immerse themselves in a new language and culture.
- **Pray** that the Lord would do great things in their lives and the people in Kethra.
- **Pray** that they will lean into how God is shaping them as vessels for his glory.
